FOREWORD

The 1983 TIGER relives the times that "we were all in it together." Becoming only a memory, everything that time has erased will always be preserved in this yearbook.

We would like to say a special thanks to the Annual Staff and our sponsor, Mrs. Rieken. They worked hard to make the 1983 TIGER the best one ever.

Proudly, we now present the 1983 TIGER.

Sincerely,
The Editors

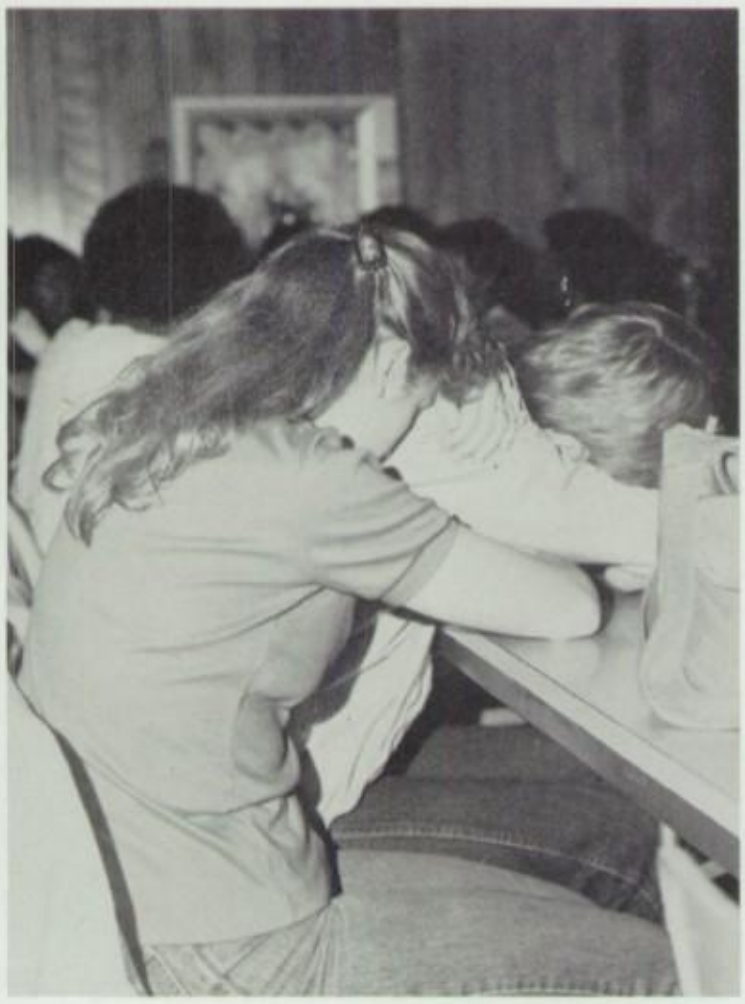
DEDICATION

It seems as though it were only a few short years ago when I used to look forward to a bedtime story and a chance to lick the cake bowl. But the years flew by and new things filled my desires . . . clothes, the use of the family car, dates, and MONEY. Yes, and you, Mom and Dad, were the ones who always shared these little things with me. You laughed when I laughed; cried when I cried. You knew and understood that all these things were just a part of my growing stage.

And so, Mom and Dad, I offer this dedication to you to express my appreciation for all the loving memories of your trust, confidence, wisdom, understanding, friendship, and love you have given me through these years.

The happy times we've shared together,
The laughter of yesteryear,
The victories we've won together,
Helped us conquer all our fears.

Looking back to yesterday,
The tears and pains,
Seems to be but only a dream
Played out once again.



As we cross the threshhold
From childhood to adulthood,
Our lives have spun the glory
Our success is the result.

And as we walk hand in hand,
Our memories will last forever.
We will never forget the precious times
"We were all in this together!"

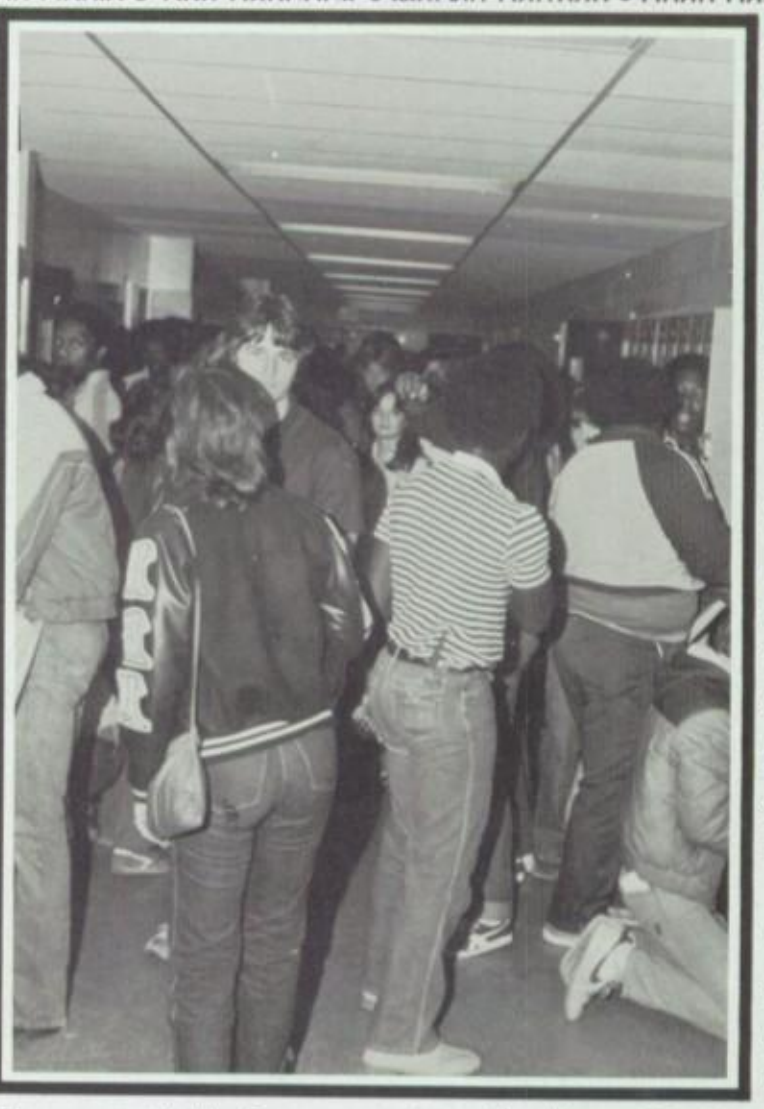
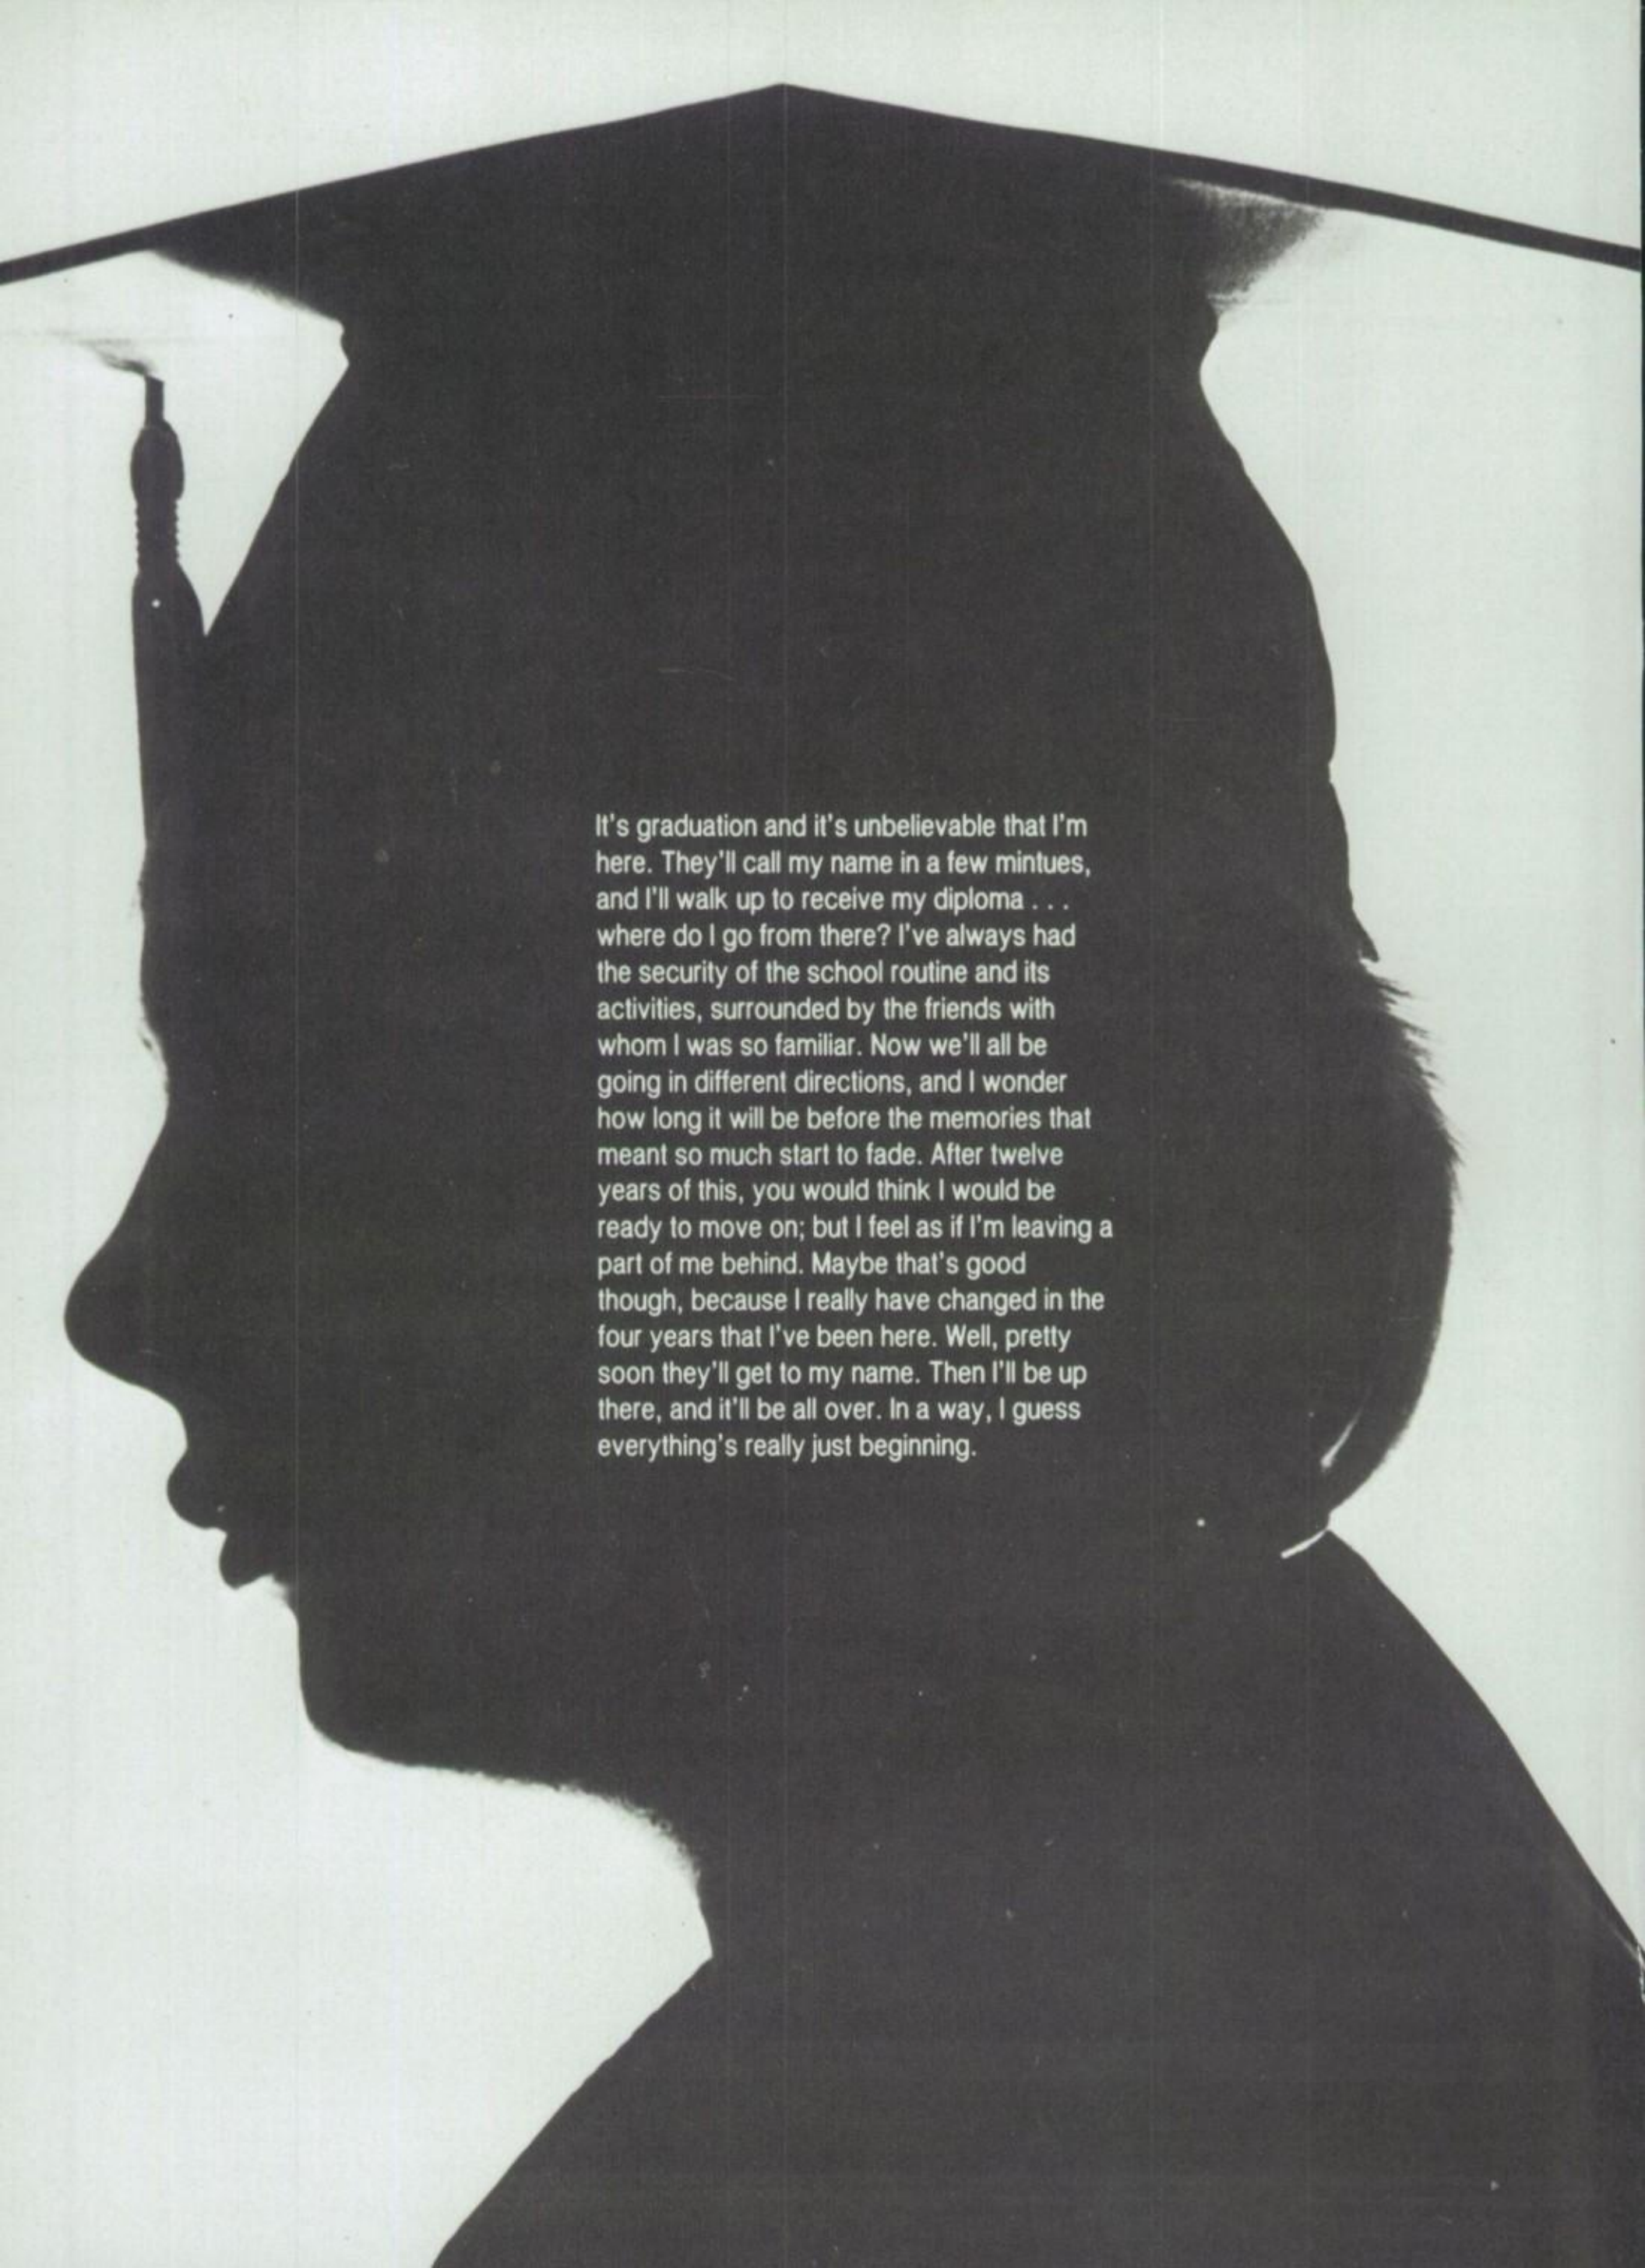
HIGH SCHOOL





It's graduation and it's unbelievable that I'm here. They'll call my name in a few mintues, and I'll walk up to receive my diploma . . . where do I go from there? I've always had the security of the school routine and its activities, surrounded by the friends with whom I was so familiar. Now we'll all be going in different directions, and I wonder how long it will be before the memories that meant so much start to fade. After twelve years of this, you would think I would be ready to move on; but I feel as if I'm leaving a part of me behind. Maybe that's good though, because I really have changed in the four years that I've been here. Well, pretty soon they'll get to my name. Then I'll be up there, and it'll be all over. In a way, I guess everything's really just beginning.

FOOTBALL '82

◄The Arp Tigers started the year off on the right foot by defeating the Sabine Cardinals 28 to 7. The Tigers showed tremendous potential, but they were plagued by mistakes and penalties which could only be expected in the first game of the season.

Arp vs. Garrison was a game filled with mistakes. The defense was slow in starting; but, by the time they began to work together, the Bulldog's had scored six points. Despite the mistakes, the Tigers finally did score, but failed to make the point after. Arp came close to scoring later on but couldn't punch it into the end zone, and the final score was a disappointing 6 to 6 tie.►

◄Although the game was close at halftime, the Arp Tigers flattened the Edgewood Bulldogs by a final score of 26 to 6. The Tigers were flagged for over 17 penalties, but this did not stop Steve Anderson, who rushed for 317 yards and several touchdowns.

The Tigers upped their record to three wins, one tie, and no losses by defeating the Bullard Panthers by a score of 50 to 7 in the first district game of the '82 season. The Tigers dominated most of the game, but the Panthers did succeed in scoring a touchdown late in the fourth quarter.►

◄The Tigers avenged their 3 to 0 district loss to the Elkhart Elks in '81 by knocking off the Elks 14 to 12 in '82. The Tigers jumped ahead and never let go. The win placed the Tigers in the driver's seat in 20-AA district play.

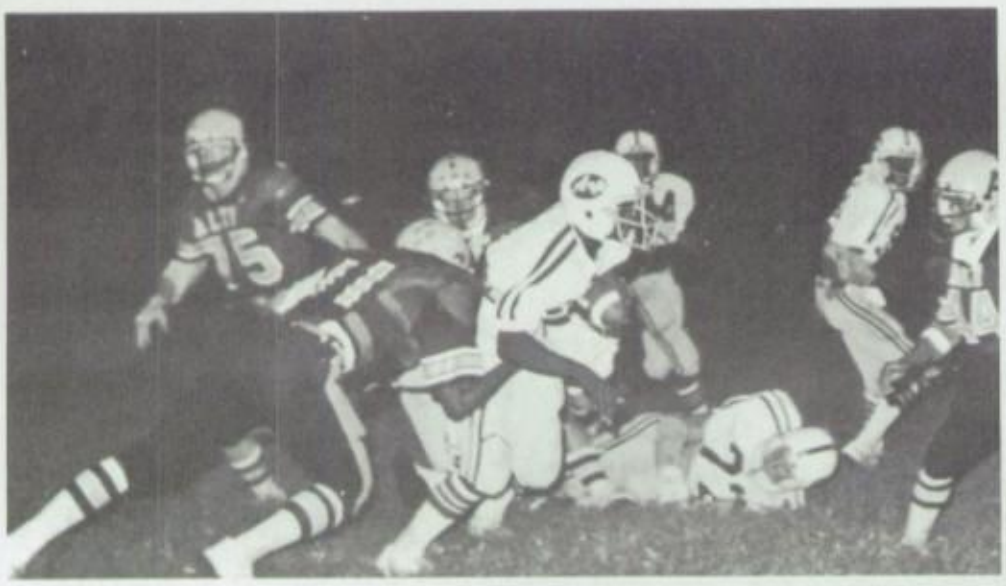
IN REVIEW

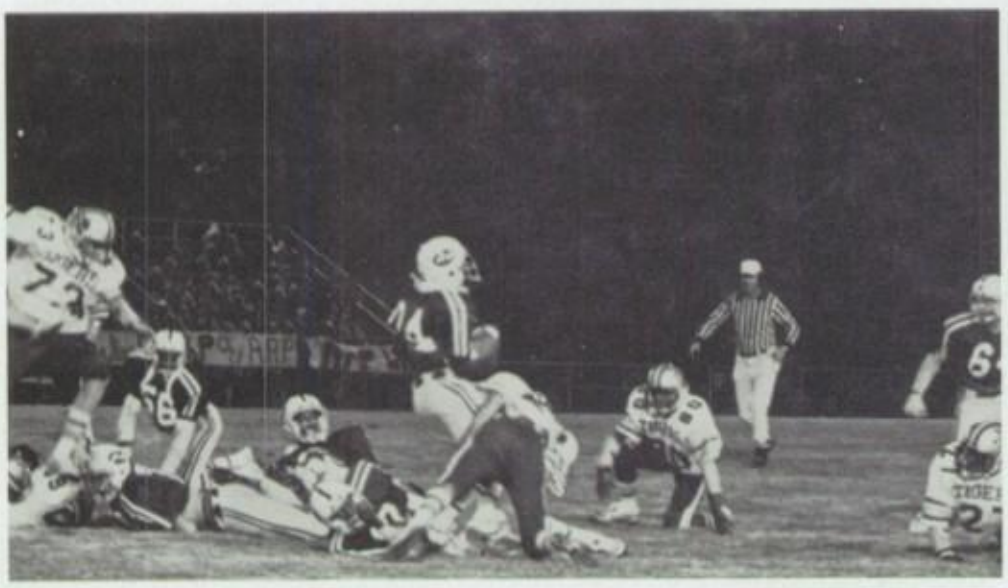


◄Once again the Tigers triumphed by downing the Alto Yellowjackets 19 to 6. Although the score at halftime was 0 to 0, the Tigers had dominated the first half of the game, driving down inside the 20 yard line several times, but failing to score. The second half was the same except the Tigers managed to score on both offense and defense.

The Tigers had the first shutout of the season in the game with Frankston by overcoming the Indiana 40 to 0. Arp improved their record to six wins, one tie, and no losses, one of the best records in district.►

◄The playoff hopes of the Tigers were dimmed as Winona handed Arp their first loss of the season. Winona scored their first and only score early in the first quarter. As the game progressed, the momentum switched from one side to the other until in the second half, the Tigers scored. Unfortunately, the PAT failed and neither side scored again. The game ended with Winona over Arp 7 to 6.

The Tigers had their record lowered to six wins, one tie, and two losses as the Hawkins Hawks rallied in the second half to defeat the Tigers by a score of 14 to 10. Although the Tigers held the Hawks in the first half, the Hawks came back to win and all but destroy the Tigers' hopes for the playoffs.►



◄Although a very hopeful season ended in the disappointment of no playoffs, the Tigers went out in style by defeating their greatest rivals, the Troup Tigers, by a score of 39 to 0. The Arp Tigers finished with a winning season record of 7 wins, one tie, and two losses.
